

COUNCIL HOLDS  
BUSY SESSION

City Dads Order  
Many Needed Im-  
provements

NAME NEW PHYSICIAN

To Pave Lower San Francis-  
co Street and Construct  
Many Sidewalks.

Considerable business was transacted at a lengthy session of the city council last night among which was the passing of three ordinances: the selection of Dr. David Knapp as city physician; the suspension of Police Officer Ramon Jimenez; the adoption of the report of City Engineer Wendell V. Hall on paving a part of lower San Francisco street, and the fixing of the tax levy for the fiscal year ending April 1909.

During the session Councilman Baca moved that Camilo Padilla be appointed policeman, pending the investigation of the charges against Officer Jimenez. Upon being shown the law concerning appointments, which can be made by the mayor only, Councilman Baca withdrew his motion and stated that he did not wish to usurp the powers of that executive.

Trouble in Executive Session.

The appointment of Dr. James A. Massie, as city physician, which was made by the mayor at a previous session of the council, was not confirmed. In executive session Councilman George Armijo introduced a resolution naming Dr. David Knapp as city physician. Mayor Sena held that under Section 2466 of the Compiled Laws of New Mexico, he alone had the authority to appoint city officials such as the city physician. However, the resolution was adopted by the council. The legality of this action will be tested by Mayor Sena and his supporters in the council.

This Year's Tax Levy.

The tax levy was fixed as follows: For general purposes, 10 mills; for interest on city bonds, 1-2 mills; for support of city schools, 8-12 mills; for interest on city school bonds, 2-12 mills.

In order to grade the streets properly the council decided to purchase a plow and slip scraper.

A sidewalk in front of the Perea's property on Washington avenue will be put in at once. The council let the contract to Carlos Digneo for the sum of \$125.95.

To Pave Lower San Francisco.

The report of the city engineer for paving San Francisco street from the Claire hotel to Galisteo street estimated the cost of this improvement at \$2,091 including cost of engineering and superintending the work. Engineer Hall recommended either vitrified brick paving blocks on a concrete base or a concrete paving throughout. His report states that the cost, using either material, would be the same, twenty cents per square foot. The council instructed the city clerk to notify the property owners who will be assessed for this pavement, that a meeting will be held in the office of the probate clerk on June 23 at which time remonstrances, if there are any, will be heard.

Hereafter city officials need not report every month as has been the custom. As the reports are not acted upon every month but quarterly, it was thought useless to have them filed monthly.

Amusement License Fees Fixed.

An ordinance was passed and signed by the mayor fixing the license fee that circuses or menageries should be compelled to pay in Santa Fe. The fee is fixed at two hundred dollars and twenty-five dollars additional for every sideshow or attraction where an additional entrance fee is charged. These fees are good for one day only. Traveling shows or troupes performing in a hall will be assessed ten dollars a day and should they show in a tent the fee will be twenty-five dollars a day. Street fairs, Punch and Judy shows, and such monstrosities will be assessed twenty-five dollars a day. Moving picture shows will be assessed five dollars a week or fifteen dollars a month. Charitable and home talent productions are excluded from the payment of license.

Health Ordinance Passed.

An ordinance relative to the prevention of infectious and contagious diseases was amended in its wording and power given the mayor to have examined persons suspected of such diseases and further giving to the city marshal the authority to placard houses where such diseases are known to exist. A fee of two dollars a month, payable in advance, may be collected by the city marshal in or-

MINING EXPERT OUT  
FOR VICE PRESIDENCY

John Hays Hammond Decides to  
Waive Race at Urgent Solicitation  
of His Friends.

Washington, June 2.—After consideration of the suggestion of his western friends John Hays Hammond has decided to enter the contest for the nomination for vice-president on the Republican ticket. He is being urged by his friends on the ground that he is a Californian by birth, has a very intimate knowledge of all problems, political and economic, affecting the United States and is now a resident of Gloucester, Massachusetts.

Mr. Hammond was formerly connected with the Guggenheim Mining company, but now has no connection with the smelting trust. Besides this Mr. Hammond has the advantage, it is urged, of a strong following among business men and this, it is considered, may be an important feature of his candidacy. For the past year Mr. Hammond has been engaged independently in his professional work as mining engineer without any connection with mining companies. Mr. Hammond is in Washington and it was after several conferences with his political friends that the decision was reached to make the announcement of his candidacy.

John B. Montgomery, of Colorado, left for Chicago today to establish headquarters in the Auditorium Annex in the interest of the candidacy of Mr. Hammond for the Republican vice-presidential nomination.

OPIUM FIEND DIES  
IN TUCUMCARI JAIL

Dead Man Believed to Have Been Old  
Time Pugilist—Will Result in  
Investigation of Drug Evil.

Tucumcari, N. M., June 3.—A man giving the name of Thomas Butler, supposed to be an old-time heavy weight pugilist with a good record on both sides of the Atlantic, died in jail here Monday as a result of opium poisoning.

He came to Tucumcari last Wednesday and on Thursday was found in a box car in the local yards in a comatose condition. He was removed to the jail and the removal of his clothing revealed several ounces of opium, which, on his revival, he said he had purchased from a Tucumcari Chinaman.

He said he had lived in Denver but would give no further details. He was so weakened by the drug that he could not rally, but lingered until Monday. His body was badly scarred by knife wounds, showing he had in all probabilities been in many tight places. He was buried at the expense of the county.

One effect of his death will be an effort by the authorities to suppress the opium traffic, which is believed to be carried on by a Tucumcari Chinaman.

If Butler's story can be believed Tucumcari is a distributing point for the drug to consumers in this section of the Southwest.

LYNCH RE-ELECTED  
BY SAFE MAJORITY

The total vote cast for president was 21,076 for Lynch, and 13,361 for H. D. Hudspeth, of New Orleans, giving Lynch a majority of 7,715.

EVIDENCES OF RACE  
SUICIDE IN ALBUQUERQUE.

Albuquerque, N. M., June 3.—The city physician reported to the city council forty-seven deaths and seventeen births for May and suggested that a new detention hospital was badly needed, the one in use being not serviceable for both male and female patients, and hardly serviceable at all.

PAYING TELLER OF NEW  
YORK BANK KILLS HIMSELF.

New York, June 3.—Charles Muir, paying teller of the Forty-second street branch of the Corn Exchange bank, committed suicide today in the basement of the bank by blowing out his brains. No reason is given for his rash act.

SOUTH HONORS  
JEFFERSON DAVIS

Celebrates 100th  
Anniversary of  
His Birth

HOLIDAY IN MANY STATES

Exercises in Observance of  
Confederate Memorial  
Day Also Held.

New Orleans, La., June 3.—With appropriate exercises the people of the South today celebrated the 100th anniversary of the birth of Jefferson Davis. The day was observed either as a whole or partial holiday in Kentucky, Florida, Georgia, Alabama, Tennessee, Mississippi, Texas, South Carolina, Louisiana and Virginia and varied between the entire cessation of business to the mere closing of the public schools. In Louisiana the day was observed as a legal holiday. In New Orleans it was made memorable this year by the dedication of the site here for a monument to be erected to perpetuate the memory of President Davis by the people of the entire South. The day was also generally celebrated as Confederate Memorial Day.

Observed in Kentucky.

Louisville, Ky., June 3.—Coincident with the impressive ceremonies marking Confederate Decoration Day, the 100th anniversary of the birth of Jefferson Davis was appropriately observed in Louisville today. Special trains took a large number of citizens to Fairview where a celebration was held at the birthplace of Davis.

Holiday at Memphis.

Memphis, Tenn., June 3.—Confederate Memorial Day in conjunction with the 100th anniversary of the birth of Jefferson Davis, was celebrated at Memphis today. All the banks and public buildings were closed in honor of the day.

Nashville Honors Confederate Dead

Nashville, Tenn., June 3.—Confederate Decoration Day was appropriately observed here today. The graves of the Confederate dead at Mount Olivet cemetery were covered with flowers and addresses made in honor of the occasion.

The Day Observed in Mobile.

Mobile, Ala., June 3.—The 100th anniversary of the birth of Jefferson Davis was appropriately observed in this city today in connection with Confederate Memorial Day.

BEING TRIED FOR  
BRUTAL MURDER

Estevan Dominguez Faces Jury at Las Vegas on Charge of Killing Aged Merchant.

Las Vegas, N. M., June 3.—What promises to be the hardest fought case at this term of the district court was begun here this morning before Judge William J. Mills, when Estevan Dominguez, of Anton Chico, was placed on trial for the brutal murder of J. H. Teitelbaum, an aged merchant who was killed in cold blood last February at Teolote, this county.

Leandro Romero and David Encinas the alleged accomplices of Dominguez have already made full confessions admitting their part in the crime and they implicate Dominguez in the killing together with Mrs. Teitelbaum, the child wife of the dead man, who will be tried as an accomplice, immediately after the case of Dominguez is disposed of.

Dominguez will try and establish an alibi and has a large number of witnesses here from his home at Anton Chico for that purpose.

MISSISSIPPI RIVER  
MAY GO ON RAMPAGE

Father of Waters Rising Rapidly at St. Louis—Missouri is Also Getting High.

St. Louis, June 3.—The Mississippi river is slowly creeping up to the danger line of 30 feet, the gauge this morning measuring 28.8. Two feet of water is now in some cellars of houses fronting the levee and the basement of the city harbor office at the foot of Market street is flooded to a depth of three feet. Reports from points along the Missouri river show that stream to be rising rapidly.

AMERICAN SMELTING  
COMPANY PAYS DIVIDENDS

New York, June 3.—The American Smelting and Refining company today declared a quarterly dividend of one per cent on common stock and 1-3-4 per cent on preferred stock. Both are unchanged from the last quarter.

SOUTH LOSING  
FAITH IN BRYAN

Louisiana and Maryland May Not  
Endorse Him

FAVORITE IN ARKANSAS

Delegations From That State  
and Nevada are Instructed  
to Vote for Nebraskan.

Baltimore, Md., June 3.—The Democratic state convention met here today with considerable uncertainty as to who will be elected delegates-at-large to the Denver national convention. Two, Governor Austin L. Crothers and State Treasurer Vandiver are settled upon but the others are as yet in doubt. There is also some doubt concerning Bryan instructions.

Those who favor the Nebraskan for president claim at least half the district delegates which will be selected during the day. They also oppose the unit rule.

The party managers on the other hand declare that they control a majority and will be able if it is deemed expedient to send an uninstructed delegation to Denver and enforce the unit rule upon it.

Result Uncertain in Louisiana.

Baton Rouge, La., June 3.—The Democratic state convention met here today to choose delegates-at-large to the national convention at Denver. Simultaneously delegates are to be chosen also from the seven congressional districts to the Denver convention. It is probable Bryan will be endorsed by the resolutions but there is some doubt if the delegates will be instructed for him.

Nevada Democrats For Bryan

Carson, Nev., June 3.—The platform as adopted by the state Democratic convention held here yesterday to select delegates to the Denver convention expresses sorrow at the recent death of Governor Sparks, the platform endorses Governor Dickerson and promises him the party's support, renounces the demand for tariff revision, denounces the Aldrich-Vreeland law recently enacted and commands railroad rate regulation. It calls for an amendment to the interstate commerce commission act and lands Bryan and instructs the delegates to vote for him as a unit.

Bryan Captures Arkansas Delegates.

Little Rock, Ark., June 3.—The Democratic state convention yesterday elected delegates to the national convention at Denver, adopted a resolution binding the delegates to the support of William Jennings Bryan as the party's nominee, besides disposing of matters of a routine character. The delegates elected comprise the so-called administration slate.

Porto Rico Delegates Uninstructed

San Juan, Porto Rico, June 3.—The Democratic convention of Porto Rico held yesterday elected H. P. Leante, H. P. Shaffer, C. F. Hill, J. B. Bateman, Joseph Usera and O. L. Lopez, delegates to the Democratic national convention to be held at Denver in July. The delegates are uninstructed.

OUTSIDER WINS  
ENGLISH DERBY

Signorinetta a 100 to 1 Shot First, With Primer Second and Llangwm Third.

London, June 3.—The English Derby, run at Epsom Downs today, was won by T. Ginstrell's Signorinetta, with the Duke of Portland's Primer second and Llangwm, owned by Barclay Walker, with Maher, an American jockey up, third. Eighteen horses ran. The betting on Signorinetta was 100 to 1 against, on Primer, 40 to 1 against and on Llangwm 100 to 8 against.

The stakes of today's derby were valued at 6,500 sovereigns. The Italian horse Signorinetta was considered a rank outsider but cantered home from the hot favorites, winning by two lengths. A neck only divided the second horse, Primer, and the third Llangwm. An immense crowd was in attendance.

FAMOUS RAILROAD BRIDGE  
BUILDER DIES IN CANADA.

Montreal, Canada, June 3.—Sir Gillespie Reid, a widely known railroad bridge builder and capitalist, died here today. He built many large bridges in Canada and the United States, including the Colorado river bridge at Austin, Texas, in 1880, and all the iron and masonry bridges on the first 250 miles of the Southern Pacific railway west from San Antonio, Texas. Also the International and Great Northern railway bridge across the Rio Grande.

PROGRAM FOR FIRST  
DAY OF CONVENTION

Chairman Harry S. New of the Republican National Committee, Announces It.

Chicago, June 3.—The program for the first day's session of the Republican national convention to be held in this city on June 16 was announced last night by Chairman Harry S. New and Secretary Elmer Dover. It follows:

Convention to be called to order by Harry S. New, chairman of the national committee at 12 o'clock noon on June 16th.

Prayer by Bishop P. J. Muldoon. Presentation of the gavel to National Chairman Harry S. New.

Call of the national convention read by Secretary Elmer Dover.

Introduction of the temporary chairman.

Address of the temporary chairman.

Presentation of the gavel to the temporary chairman.

Election of other temporary officers.

The selection of a committee on temporary organization, rules and order of business, credentials and resolutions.

Miscellaneous business.

The gavel will be made out of wood from Fort Dearborn, according to the plans of the local committee on arrangements.

PRESIDENT HAS  
NARROW ESCAPE

Horse He is Riding Becomes Fractious and Turns Somersault, Landing in Creek.

Washington, June 3.—President Roosevelt late yesterday afternoon had an exceedingly narrow escape from a serious accident while riding in Rock Creek park. Mrs. Roosevelt was with the President. The President was riding a new horse, a young animal. The party rode down through a cut in the bank and forded the creek and were ascending the bank on the other side.

Suddenly the President's horse reared on reaching the top of the bank and the President leaned forward to bring him to his feet again, but the animal stood straight up on his hind legs and then plunged over backwards into the creek with the President.

The latter dexterously slipped out of the saddle and fell into the creek. Neither the President nor his horse received the slightest injury.

OREGON SELECTS  
DEMOCRATIC SENATOR

Result of State Primaries Indicates Governor George Chamberlain Has Won Over Judge Calk.

Portland, Ore., June 3.—Returns of Monday's election are still far from complete and it may be several days before the exact figures are available. Reports at hand today confirm last night's estimates. Governor Chamberlain, Democrat, will clearly have a majority of a thousand or more over his Republican opponent for the United States senatorship, Judge Henry M. Calk. It is practically certain that the legislature will have 52 members committed to the election of the People's choice for senator, which is six more than are necessary. Congressmen Hawley and Ellis are re-elected by fair majorities. Equal suffrage was lost by a heavy majority. Prohibition carried in many counties of the state.

GOOD COTTON CROP  
IN NEW MEXICO

Tucumcari Ginners Expect Big Shipments to Market—Rain Needed.

Tucumcari, N. M., June 3.—If cotton isn't king in Quay county it is at least prince regent among the crops being grown in the new lands broken this year in the vicinity of Tucumcari. It is estimated that nearly 7,000 acres have been planted to cotton this year, while nearly as many more acres have been sown to wheat and all dependent upon the rainfall, as there is no irrigation here.

The acreage planted to corn is also quite large and the season's rains, if they come, and there seems to be some fear now that they won't because they are now two weeks overdue, will bring bumper crops and put this portion of New Mexico in the agricultural class.

RATON ATTORNEY AT  
POINT OF DEATH

Raton, N. M., June 3.—William C. Wrigley, a prominent lawyer of this city and a former president of the New Mexico Bar association, is lying at the point of death at his home in this city with pneumonia.

AMERICAN TOBACCO CO.  
DECLARES DIVIDEND

New York, June 3.—The American Tobacco company today declared a dividend of 1-2 per cent on preferred stock. This is unchanged from the last quarter.

BIG CELEBRATION  
ON THE FOURTH

Will Eclipse Anything Ever Attempted Here

COMMITTEES SET TO WORK

Business Men of Capital Hold Meeting and Start Ball to Rolling.

At a meeting of representative business and professional men of the city yesterday afternoon in the parlors of the Claire hotel it was decided that a celebration should be given in Santa Fe on July 4 that would eclipse anything the city has ever attempted in this line before.

Special trains will be run on all railways, reduced rates given, baseball games played, fireworks set off, horse racing, foot racing, band concerts, dances and every and any kind of amusement of a wholesome nature that can be desired, will be the order of the day.

Rough plans made by those who attended the meeting yesterday will mean the expenditure of fully \$800 and this amount will be raised in the opinion of those who are promoting the celebration, and it will be done easily. Committees were named to look after every and all details and the watchword will be "push" for the highest time ever known to the quaint capital of the Sunshine Territory.

Meeting Well Attended.

Those who attended the meeting yesterday, while not representing all lines of business in the Capital City, speak well for the success of the proposition. Everyone was there to push and to make July 4 in Santa Fe this year one long to be remembered. They were: S. B. Grimsbaw, W. H. Kennedy, A. J. Fischer, T. P. Gable, J. B. Wood, W. N. Townsend, Nathan Salmon, Edward Ehle, A. S. Barney, John P. Lyng, A. M. Dettelbach, William Gregg and S. B. Cartwright.

A temporary organization was formed and an executive committee named consisting of S. B. Grimsbaw, chairman, W. N. Townsend, S. G. Cartwright, Edward Ehle, A. S. Barney and G. H. Donart. This committee will see to it that some hustling is done and that nothing will be left undone to make the celebration a howling success.

Committees Appointed.

Other committees appointed are: On subscription: William Gregg, and W. H. Kennedy. Bands: Edward Ehle. Public Speaking: William Gregg and W. N. Townsend. Fireworks: S. G. Cartwright and W. N. Townsend. Dances: S. G. Cartwright and John P. Lyng. Balloon ascension, A. M. Dettelbach. Special trains and railway advertising, A. S. Barney, G. H. Donart and S. B. Grimsbaw.

While no definite action was taken it was the sense of the merchants' meeting that the Elks' band and the Perez band be retained to furnish music for the celebration. It was further decided, in a way, to have the fireworks exhibition in the northern part of the city near the Federal building. Two, if not more baseball games will be pulled off. One or more will be played on Saturday and the other on Sunday. Just what teams will cross bats has not been decided. It is the intention to have at least three dances in as many different places and all at the same time so that everyone who loves this sort of amusement will have the opportunity to become satisfied.

Nathan Salmon, who as everyone knows is an ardent admirer of good horseflesh, will attempt to match several horse races and it may be that some of them will be harness races. This matter is but talk and it may not be possible to secure entries for such amusements.

Railroads to Run Excursions.

The Santa Fe Central Railway company has announced that it would run an excursion train from Willard leaving the latter place the morning of the Fourth, which is Saturday and returning leave Santa Fe Sunday evening thus giving the excursionists an excellent opportunity to see Santa Fe. Baseball games will be played Sunday afternoon as a diversion and amusement to those who stay over.

What action the other roads will take in this matter is not known but they will be asked to run excursion trains and there is little doubt but what this will be done.

IOWA RENOMINATES  
ALLISON FOR SENATOR.

Des Moines, Iowa, June 3.—According to the latest returns from yesterday's primaries Senator Allison is renominated for United States senator by a majority of fully 12,000 over Governor A. B. Cummins.
